UMS paves way for quality education

DE 25.10.2014 16

KOTA KINABALU: The cooperation of academics from University Malaysia Sabah (UMS) in preparing the new module, curriculum and syllabus framework for Pusat Minda Lestari (PML) is paving the way in providing quality education for children.

PML is a center that encourages learning and development for children, promoting growth at an early age.

UMS Vice Chancellor, Prof Datuk Dr. D Kamarudin D Mudin, said the new framework will hopefully mold PML into an outstanding development center for children, during the PML Module/Curriculum/Syllabus Update Committee Appreciation Ceremony at D'Sireh Café, Monday.

"The modules, curriculum and syllabus

will be updated from time to time to make sure PML curriculum is always relevant with the current development in education.

"At the same time, this will turn PML into the best learning and development center in Borneo," he said.

Kamarudin later presented certificates of appreciation to members of the committee, which comprises of academics from Faculty of Education and Psychology, Faculty of Natural Resource and Science, and Faculty of Humanities, Arts and Heritage. Also present was UMS Registrar, No'man Hj Ahmad, PML Director, Aidah Nordin and Dean of Faculty of Education and Psychology, Prof. Dahlan A Malek.
