Students, UMS facilitators attend IT camp in Tawau

TAWAU: Forty-six participants from SM Teknik and SMK Kuhara together with 33 facilitators from Universiti Malaysia Sabah (UMS) attended a three-day information technology (IT) camp at Sekolah Menengah Teknik, Tawau on May 14-16.

According to UMSINTEC club from Universiti Malaysia Sabah, the objective of the programme was not only to share computer knowledge with the students but also to provide a platform for the university students to polish their theoretical, practical and communication skills.

The IT camp is held annually with Tawau being chosen the host this year and themed "Creativity in ICT".

SM Teknik senior assistant Yahya Ismail officiated the event.

The facilitators conducted several workshops which covered basic computer hardware, presentation of software, graphics editing and introduction to animation.

SM Teknik principal Johan Okasa attended the closing ceremony and gave away prizes to all the teams.

The participants not only acquired IT know-how and knowledge from the programme but also had a fun time with new friends and are already looking forward to the next camp.

Lecturers Salmah Fattah and Siti Hasnah Tanalol from the School of Engineering and Information Technology were the advisors of the programme.
