

# Innovative & Creative Circle Convention

By: Starrine A

For the first time, Innovative & Creative Circle Convention (KIK), UMS level was held on December 1st, 2010 at the Central Lecture Hall A1, UMS. The ceremony began at 8:00 am with opening speech by Y.Berusaha Mej. (K) Abdullah Hj Mohd Said and also chairman of the convention organizers. In his speech he stated that the ICC is also a good platform to enhance professional services and help UMS to solve the work-related problems and creates continuous improvement. The Convention is divided into two categories: management and technical.

For the management category, participated by four groups, Nexus (Registrar office), Integrity (School of Medicine), Fast & Accurate (Center for Academic Development) and Pascasiswazah (Postgraduate). The technical categories are participated by group M'Tech (School of Medicine) and Dinamik (School of Medicine). The closing ceremony was officiated by Ybhg. Brig. Jen, Prof. Datuk Seri Panglima Hj Kamaruzzaman Ampon, the Vice Chancellor of UMS. In his speech, he said that organizing the Innovative and Creative Circle Convention was a step to recognize and appreciate the staff that has worked tirelessly in increasing performance and shows a strong commitment to achieve the goals and objectives of the department. The ceremony was concluded with the announcement of the winners as well as presentation of prizes to the winners. The champion in each category will represent UMS to compete in the ICC universities in March 2011.
