

# Elective Posting Exhibition

ISSN: 1985-465X Dec, 2010

By: Norlina Kamis

On Saturday morning, 20th November 2010, the School of Medicine held the Elective Posting Exhibition by 78 final year medical students. The exhibition was held at the lobby of the School of Science and Technology, UMS and continued for four days, until the following Tuesday to provide insights regarding the medical students' experiences during their elective posting conducted both local and abroad to other students of UMS. The ceremony was officiated by Y.Berusaha Professor Dr. Osman Ali, the Dean of School of Medicine accompanied by Assoc. Prof. Dr. Basim Abdulla as the elective posting coordinator.

In his speech, he stated that the students are given the encouragement to hold Elective Posting exhibition not only in Malaysia but also overseas. In addition, this exhibition was a success as it displayed the students' efforts and experiences to other students and staff from other schools of UMS.

In summary the exhibition gave motivation for the medical students to strive harder in their course of study. Meanwhile, supervision and guidance by the lecturers will prepare them for their future career. Good Luck!
