Another publication from PPIB in 2010 was 'Issues in Second Language Teaching and Learning in Sabah' by Dr. Suyansah Swanto, Pn. Wardatul Akmam Din and their team. The book is a collection of research-based articles on issues related to the teaching and learning of English as a second language in Sabah. Its primary aims are to stimulate discussion about ELT and to improve teaching practice. Well done to these members of the English Language Unit!

Dr. Anantha Raman Govindasamy had successfully published his articles in two reputable international journals. The first paper entitled 'Indians and Rural Displacement: Exclusion from Region Building in Malaysia' was published in the Asian Journal of Political Science, Vol. 18, No.1, April 2010, pp.90-104, Routledge, London. The second article entitled 'The Islamisation of Malaysia: Religious Nationalism in the Service of Ethnonationalism' was the co-authored with Michael D. Barr. It was published in the Australian Journal of International Affairs, Vol. 64, No. 3, pp. 293-311, June 2010, Routledge, London. May his achievements be an inspiration to all at PPIB!
