

# Educational Exhibition and Career Development at UMSKAL

The Educational Exhibition is eagerly anticipated each year at PPIB, UMS-KAL. Everyone wants to participate in this grand affair with the PPIB lecturers and teachers being no exceptions. This year's show took place on 2 - 3 October 2010. On this occasion, PPIB was made responsible for both Career Development, as well as the Education Exhibition for SPKAL and SSIL students.

In previous years, the only participants at the Exhibition were PPIB, SPKAL, SSIL, PALAPES and the Co-Curriculum Unit. This time round however, the regulars were joined by schools from the main campus, namely SPPS, SSMP, SPTA and SST. UMS-KAL is known as the "Blissful Campus" and fittingly, visitors seemed to derive a lot of pleasure from the exhibition. They were given the chance to play a range of entertaining games, including ones that tested language skills. Not surprisingly, they also got the opportunity to taste some local delicacies.

Although only four schools from the main campus came to participate this year, nonetheless, it made the Exhibition a more meaningful one, in keeping with the slogan '1UMS'. In future it is hoped that more schools from the main campus will participate as the people of Labuan would benefit significantly from exposure to what is happening at UMS.
