

One Happy Family

A family day was organised on 23 October 2010 at the main meeting room of PPIB to foster better social ties between members of the Arabic Language Club, as well as between academic staff and students. The event was officiated by Dr. Saini Bin Awg. Damit, the Chair of Arabic Language.

The activities and competitions chosen for the day were selected to motivate those attending to learn more about the Arabic language and culture. Club members, from different levels of the Arabic courses, responded most enthusiastically to the khat calligraphy and Arabic poetry recital competitions which were organised to enhance their potential and to discover hidden talent. In addition, participants were treated to lucky draws. Prize giving was followed by a photography session and finally, a scrumptious lunch.
