Fishing competition

On the 16th October 2010, the School of Medicine, UMS organized Raya celebration with the community of PUPUK family at the Rural Medical Education Centre (RMEC), Sikuati, Kudat. This event was organized by RMEC staff led by Assoc. Prof Dr Khin Maung Ohn @ Ariff and Miss Jecelyn Leaslie John. The activities held during this raya celebration included pot luck lunch with villagers, reality photography competition and fishing competition. The aims for this program is to generate relationship among PUPUK family and community around Sikuati, Kudat.

BBQ Night

The winner of the Reality photography competition was AP Dr Daw Khin Saw Naing, who delighted everybody with the different angles of the most popular scene, the RMEC pond. Although the pond is round, it appeared in the winner's photo as a square pond. The second prize went to a 4th year medical student, Wenhao Wong and the third prize went to our Dean's son, Hazimi.

The fishing competition was extended from 1 hour to 2 hours because of the enthusiasm shown by the participants. Mr Ali, the security guard of RMEC, won the first prize with the heaviest fish. Second and third prize went to the Dean's wife, Mdm. Rabitah and Arzan respectively. The event ended with karaoke, lucky draw and barbeque dinner. Everybody had a great time that day.
