

# The Team Spirit

By : Norlina Kamis

Innovative and Creative Workshop (KIK) was held on 20th November 2010 at the School Meeting Room gave awareness to the staff of School of Medicine, Universiti Malaysia Sabah on the importance of team spirit. The workshop was attended by 20 staff and was officiated by Y.Berusaha Prof. Dr. Osman Ali, the Dean of the School of Medicine. In his speech, he encouraged the participants of KIK to be more innovative in designing things. He emphasized the importance of dynamic thinking and that each individual should have ideas to move forward in order to face challenges. The main objective of this workshop was to encourage participants to work in a team and provide a better understanding about KIK.

The workshop started at 8.30 am and ended at 5.00 pm. Sincerity of each group in doing the task helped them to complete their projects that will be presented soon. The speakers of the day were Rina Norgainathai and Hellen Masandid. Each of the topic discussions were thoroughly discussed by the members of KIK workshop.

In summary, the KIK Program provides techniques to solve the problems that exist in the organization, and also include methods to enable the KIK members to act in a creative and innovative way to produce something new through imaginative skills in enhancing the delivery service system to customers.
