

5S Visit

By: Norlina Kamis

On 23rd November 2010, several lecturers and staff of the School of Medicine, Universiti Malaysia Sabah paid a visit to the Kampus INTAN Sabah which located in Sepanggar, about 20 minutes from the UMS for the 5S certification. This visit led by AP Dr. Nyo Nyo, was accompanied by AP Dr. D. Kamarudin, Ms. Nurul Izza Nordin, and several other lecturers. It is worthwhile to implement 5S in organizations to maintain neatness and uniformity.

There were many useful tips in applying 5S practices in working premises. Mr. Abdul Latif Rajim, the librarian of Kampus INTAN Sabah led the group visit around the campus. During the visit, all the participants were so excited to see the consistency and cleanliness of the rooms, stores and offices. In addition, it gave encouragement to each participant to brighten the working environment at the SPU in time to come. The visit ended with presenting of souvenir from the campus Intan Sabah to the SPU staff.
