Maulidur Rasul was celebrated on 15th February 2011 or on 12 Rabiul Awal by Muslim people all over the world. The theme of the Maulidur Rasul celebration this year was "1 Malaysia, 1 Ummah". To celebrate the birthday of Prophet Muhammad S.A.W, the University organized a Maulidur Rasul procession on 3rd March 2011 at Chancellery Hall, UMS. All departments and schools including the School of Medicine participated in this event.

Each department has its own theme colour for the event. For the School of Medicine, our theme colour was maroon. With our staff and students participating, the procession commenced at 8.30am around the Chancellery Hall and its vicinity. Thereafter, the audience was entertained with talks and nasyid by UMS students. Moreover, performances from School of Art Studies and local artists provided much enjoyment for the day.
