An Award Ceremony for the Diploma Graduates of the School of Medicine was held on 26th March 2011, Saturday at the Gallery Chancellery, Universiti Malaysia Sabah. About 60 Medical Laboratory Technologies (MLT) and Nursing graduates attended the ceremony. The occasion began at 11.00am and was officiated by AP Dr. Chin Suliong who represented the Dean, School of Medicine.

The certificates of appreciation were presented to students with PNGK 3.5 and above as well as for the best students of both Diploma programs. The School's appreciation to the Ministry of Health for its roles in teaching and learning of the students was recorded. The representative from the Nursing Division and Medical Lab, Queen Elizabeth Hospital as guests of honor were presented with the School's souvenir as a show of appreciation.

To express the appreciation to the School, two representatives from both programs gave their short speech to the audience, followed by a photography session. The ceremony ended at about 1.00pm and lunch was served at the D' Sireh Cafe, Gallery Chancellery. The School's Dean, Professor Dr Osman Ali was in time to have some chat with the diploma graduates over lunch time. Good luck and congratulation to all of them.
