

MED-LASER 2008

The UMS Medical school was organized the first symposium in laser medicine and surgery "Med-Laser 2008" on Saturday 1st November. The main purpose for this event was to promote and create awareness about laser medicine. This symposium was held at the library auditorium. Prof Azad Hassan Abdul Razak, Head of Surgery in UMMC and Dr Ruban Nathan, cosmetic dermatologist at IMU was invited as speakers for this event. Positive feedbacks were given to the organizer, Dr HMP Singh for organizing an informative symposium.
