

RURAL MEDICAL EDUCATION CENTRE, RMEC

18 January 2009, a new history for Medical School Universiti Malaysia Sabah in its effort to achieve excellence through social curriculum by building education centre for undergraduates and postgraduate in Sikuati district, Kudat which is the Rural Medical Education Centre.

This centre was inaugurated by Minister of Higher Education, Yang Berbahagia Dato' Seri Mohamed Khaled Nordin. Also present during the ceremony was Yang Berbahagia Dato Dr Maximus Johnity Ongkili, Minister of Science and Technology Innovation, Yang Berbahagia Kolonel Datuk Prof Dr Kamaruzaman Haji Ampon, Vice Chancellor, UMS and Yang Berusaha Prof Dr Osman Ali, Dean School of Medicine. Rural Medicine Education Centre was established to provide facilities and education awareness to rural area about health. This centre is potential to be future health research centre in producing various new discoveries in medical field.

Hopefully, the establishment of this centre in Sikuati, Kudat will benefit especially to the health status to surrounding residents' health by increasing the population's awareness towards healthier life style in Kudat district.
