

## 2<sup>nd</sup> BORNEO MEDFEST 2009

On the 21<sup>st</sup> of February 2009, the annual Borneo Medfest (Medical Festival) organized by MEDSTAS was held at the Chancellery Gallery, UMS. The event was made all the merrier with the participation of medical students from UITM, USM, UPM, and Monash University. The highlight of the day was the Anatomy and Physiology Quiz. Two visiting teams from UITM and USM joined the competition. At night the 'Cultural Night' was held in the Recital Hall and was filled band performance managed by Miss Cassandra Anne Abot, a solo guitar performance by Mr. Matt Liew Kong Weng (Monash University's Delegates), sumazau dances and choir by our very own nursing students and a musical drama by our Medical Laboratory Technology students. It was ended with the Mogunatip dance where VIPs and students were invited on stage to participate. The next day, research paper and poster presentation were held at the Chancellery Gallery.

The list of winners are as follows:
