

## UMS club donates computers to schools

BP 19/7/2011 B1  
**KOTA KINABALU:** A group of information technology (IT) undergraduates led by Norhayati Binti Asgan together with officers and lecturers from University Malaysia Sabah (UMS) Information Technology Club (UMSINTEC) donated used computers to two schools in Kuala Penyu and Keningau on June 21-22.

Salmah Fattah and Siti Hasnah Tanalol were the UMSINTEC Club advisors for the programme.

The first recipient school was SK Mansud in Kuala Penyu which has 64 school members, including teachers. The school needed computers for the students most of whom came from remote districts according to the headmaster, Normainah Hj Assim.

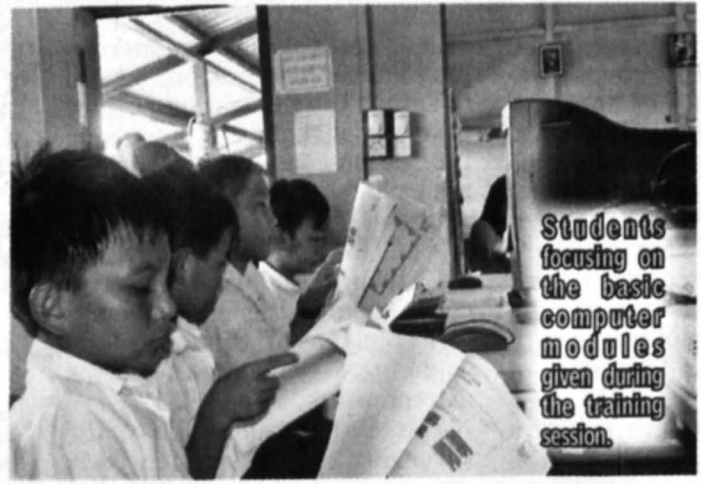

The group next went to SK Patikang Laut, Keningau where they were given a warm welcome by the teachers and students.

The headmistress' representative, Chee Wee Liang, while thanking the club for the donation, said that the computers would be very useful for management, teachers and those doing research.

The undergraduate students also trained the pupils in basic computer literacy to ensure that the donated computers

will be fully utilized. It was also a learning experience for the UMS students in organizing club activities, teamworking, communication and interaction with the community.

The two-day programme

ended successfully with full co-operation from all the club's committee, School of Engineering and Information Technology, Student Affairs Department of UMS, school members and officers
