

STUDENTS FROM WAKO UNIVERSITY JAPAN VISIT BUSINESS & ECONOMICS SCHOOL

The Business & Economics School recently received international visitors from Japan i.e. students from Wako University, Japan visited the school for the second time after a successful visit last year. The group which consisted of 17 students – postgraduate and undergraduate students together with two professors were well received by the whole community of Business & Economics School. In conjunction with the visit, the students from both universities organized a 4th WAKO – UMS Seminar which saw the presentation of a few research papers by several expert professors of both universities. Prof. Iwao Kato during his retorts said that the good ties between the two universities has been established since the first visit by a group of Japanese students to Business & Economics School in 2004.
