

LANTERNS & MOONCAKE FESTIVAL

On 9th August 2008, a group of students joined hands to celebrate the Mooncake festival which falls on the 15th day of the eighth lunar month in the Chinese calendar. Traditionally, it is celebrated to signify the end of the harvest season and because lanterns are used during the festivities, it is also referred to as the lantern festival in some parts of the world. Students shared mooncakes and drank Chinese tea together. There was also a storytelling session on the history behind the festival by Kai Di (a Hotel Management student). Deputy Dean (Academic & Student Affairs) Pg. Hassanal Bahar Pg. Bagul officiated the event. Among other lecturers joining the event were Head of Hotel Management program, Pn. Izyanti Awg. Razli and En. Yuzainy Janin.
