Cheerful and delighted faces were observed during the Orientation Day for new students, held at DKP A2 on 8 July 2008. For 2008/2009 intake, the School of Business & Economics received 545 students who will join various academic programs in SBE. This number includes almost 30 international students. The freshies attended a general briefing session and several activities organized by the respective programs.

In his welcome speech, the Dean, Assoc. Prof Dr. Hj. Kasim Hj. Md. Mansur congratulated the students on their success in achieving their dream of entering UMS. He also urged the new students to develop new skills and competencies while pursuing their studies. Among other things that he stressed is the importance of discipline and active participation in the co-curricular activities in the university as it will add value to their social interaction. With all the available facilities in SBE to the students' advantage, students should excel in their studies and student-related activities, academic or otherwise.

“I have no regrets in selecting UMS as my first choice of higher education institution. The environment and the surroundings of this university is without comparison.”
