

4th WAKO - UMS JOINT SEMINAR 2008

Business and Economics School recently organized the UMS-Wako Joint Seminar 2008. The seminar was held in March 2008, in conjunction with the Wako Delegation Visit led by Professor Iwao Kato and Professor Iwayuki Suzuki. Lecturers of Business and Economics School well as students from various programs attended this seminar. Three papers were presented by representatives

from both universities. One of the papers was "The Economics of Recycling: Lessons from Japan" by Fumitaka Furuoka, Beatrice Lim Fui Yee, Roslinah Mahmud, and James M. Alin. Professor Suzuki also conducted a public lecture entitled "Management Style of Japanese Companies in Malaysia: Human Resource Development and Communication Style".
