**KOTA KINABALU:** A total of 122 students from Universiti Malaysia Sabah (UMS) Investment Centre for Professional Development (UCPD) yesterday graduated from their respective courses.

UMS Investment Holdings Sdn Bhd group chairman Datuk Ag Buhtamam Ag Mahmud said at the certificate presentation ceremony held at UMS near here yesterday, that 22 students received their Corporate Executive diplomas, five students received the Plantation Management executive diplomas, 17 students received the para-legal studies certificates, and 78 students were presented with certificates in International Students' Foundation

programme / certificates in Intensive English Preparatory programme.

He congratulated the students for their success and reminded that their success was due to the people who had provided them with unconditional support.

He said it was through their love, dedication, support and attention that the students were able to come so far.

"I hope that with the certificate in your hand it will inspire you to have high commitment to serve the industry and to perform the best of your ability applying the knowledge and skills that you have gained here at UCPD," he said.
