

UMS – WASEDA UNIVERSITY JOINT SEMINAR 2007

In conjunction with Waseda University's student volunteer project in the area of Numbak, the school has organized a joint seminar which was held at Bilik Mesyuarat Utama on 30th August 2007. The seminar was attended by lecturers of School of Business & Economics and also representatives from Waseda University. Among the participants were students from Waseda University where they worked in a community project on Philippines Immigrants in Numbak Area, Sabah. Three papers were presented during the seminar by representatives from both universities. The theme for the seminar was Waste Management in Urban Area. Among the paper presented during the seminar was by Prof Iwao Kato, Dr. Fumitaka Furuoka, Beatrice Lim Fui Yee and Roslinah Mahmud entitled "Urbanization and Solid Waste Management: Lessons from Yokohama City." The Deputy Dean (Academic & Student Affairs) gracefully officiated the seminar.
