

# FIRST SEMINAR 'NEW VENTURE CREATION' BY ENTREPRENEURSHIP STUDENTS

The first seminar was held on the 05 September 2007 (Wednesday) at BMU, SPE from 8.30 am to 12.30 pm. The objectives of this seminar are to give exposure to the entrepreneurship students on the real world of doing business and also to expose them in organizing such seminar. There were 4 guest speakers invited by the entrepreneurship students. The first talk is about the processes, rules and regulations and types of licenses in applying license for a business which was given by Mr. Mohd. Haniff Hassan, Kota Kinabalu City Hall's licensing department. The second talk was given by Mr. Mohd. Arif Bin Hj. Hamzah from the Companies Commission of Malaysia. He explained about business entities, the requirement in registering a business entity, and the act governing each of it. It was followed by two successful local bumiputera entrepreneurs, Mr. Narawi Haji Ahmad and Mr. Musalim Tajul. They talked about the experiences and challenges to be a successful entrepreneur. All of the speakers voiced out their appreciation and congratulated the Entrepreneurship students in organizing such a valuable seminar. Among the audiences were students of entrepreneurship and also lecturers of the HE04 program. They are Mdm. Salmah Topimin and Miss Merlyn Rita Buncha. The seminar on that day went very well and all the students got the understanding about the ups and downs to be a successful entrepreneur. This seminar also motivated the Entrepreneurship students to be prepared for the future. The day's seminar ended with a lunch treat for everyone including all the speakers and the students.
