

Visit to HWKKS

By: Nursing Committee

Nursing students of year 1 went for a visit to Hospital Wanita dan Kanak-kanak Sabah (HWKKS) on 29th April 2011. The objectives of this activity was to enhance the student's knowledge and understanding concerning Hematology, Blood Bank and its management in the hospital. They also had a valuable talk on Infection Control conducted by Sister Rapiah Gandilow from Infection Control Unit HWKKS.

The students took part in activities of 5 moments hand hygiene, donning and removing N95 mask, wearing gown and so on.

At the end of the visit, a consolation gift was given to Sister Rapiah and Mr. MD. Yasim Bin MD Yacob. They welcomed all the students to come to HWKKS in future for education purpose as frequent as possible.
