

Accreditation

By : Nurul Izza

The Diploma of Nursing programme was initiated in March 2008. There were about 40 students enrolled in the first batch. Since its inception, the School was planning and preparing to be accredited by the Jabatan Perkhidmatan Awam (JPA) and Nursing Board Malaysia. The Accreditation team comprised of AP Dr Faridah Binti Hashim (Universiti Teknologi MARA), Mdm Gan Mee Fuan (Nursing College, Buikt Mertajam), Mdm Ramlah Binti Taha (Nursing Board Malaysia) and Mr Fazli bin Abdul Hamid (JPA, Putrajaya). They visited our school on 22nd -23rd June 2011.

The team reviewed the Nursing documents and assessed whether it meets the accreditation standards and its own objectives. The team clarified the information in the accreditation submission through discussion with the lecturers, clinical instructors and administrators involved in the relevant education programs, the students and others involved with delivery of education programs. After that, the team visited relevant areas of the school mainly the Lecture Hall, Clinical Skills Lab in Pusat Rawatan Warga, Plastination Lab & Multipurpose Laboratory
