

SAMBUTAN HARIRAYA DI FEDERAL HOUSE 2010

'NASI ARAB' became the main attraction dishes at UMS stall during the 1st Hariraya Open House at Federal Office . The first ever gathering being held at the newly opened Sabah's own Federal Office Building or "Putrajaya" was very merry with the special attendance of TYT Tun Datuk Seri Panglima Hj. Ahmadshah bin Abdullah. Many stalls were set up during the event which attracted around 2000 attendances. With the Nasi Arab as a favorite dish and a hit among the guests, the food was snapped up among the first few stalls which had to close rather early. The stalls/counters were set up by the Hotel Management students with the cooperation of Kelab Pegawai Pentadbiran UMS under the guidance of En. Samasuddin Hj. Yusop & En. Hilmey Yahya. TYT also visited the stalls and praised the students for their participation.
