TUESDAY, 17 FEBRUARY – The Information and Communication Technology Department (JTMK), Universiti Malaysia Sabah (UMS) recently conducted a workshop on the use of Microsoft PowerPoint to 30 school students aged 8 to 15 years old, at the community hall of Kg. Brunei, Membakut.

The half-day workshop was part of a Corporate Social Responsibility (CSR) *Al-Haqq* zone in conjunction with Maulidur Rasul, UMS level this year.

The speaker, Abdul Latif Matali said, this workshop aimed to expose school students to the importance of using Microsoft PowerPoint.

“Most of the students who attended the workshop had a good basic knowledge on the use of computer and some were quite adept especially the secondary school students.

“Besides PowerPoint, we also taught them the skill to surf the internet to get materials from outside sources that could help them get additional information,” said Latif, who is also an Information Technology Officer at JTMK.

In addition to the workshop, *Al-Haqq* zone which comprised Chancellery Department, Bursar Department and Registrar Department also held a gotong-royong to clean the cemeteries and mosques at Kg. Brunei, Membakut. – *CD (fl)*
