**SUNDAY, 10 NOVEMBER** – The International Conference on Rural Medicine (ICORM) 2013 scheduled for 26 to 28 November 2013 has now been postponed to 12 until 14 August 2014.

The conference organised by the School of Medicine (SPU), Universiti Malaysia Sabah (UMS) with the theme ‘The Challenges in Rural Medicine’ would be the 4<sup>th</sup> ICORM organised by SPU. The conference will be held at Magellan Sutera, Sutera Harbour, Kota Kinabalu, Sabah.

ICORM started in 2007 with a vision to bring all national and international rural medicine and health experts to share their experiences in facing the challenges in the delivery of both medical healthcare services and education. It also provide a platform for members of the

rural medicine and allied health community in fostering linkages and collaboration effort in research and healthcare services.
