MONDAY, 19 MAY – Each employee must have sound knowledge, skills and good attitude in executing their daily tasks and responsibilities.

Head of Chancellery Department, No'man Hj Ahmad stressed this at a meeting with non-officer staff which was held at the Event Gallery this morning.

He reminded all staff to apply moral values such as mutual help and respect.

“Don't be a arrogant and proud and we should not be stingy with time, for time belongs to Allah S.W.T.,” he said.

He added that an excellent staff should be able to hold office as a public servant and always ready to serve.

Earlier, No'man also held a closed-door meeting with the staff from the Management and Professional level of Chancellery Department. – *ZMD (fl)*
