FRIDAY, 14 FEBRUARY – The Academic and Strategic Management Centre (PPSA) recently held a workshop on MS ISO 9001:2008 Technical Committee at Universiti Malaysia Sabah (UMS) at the Senate Meeting Room, Chancellery Building UMS.

Coordinator of the workshop, Hasmi Hashim said the main objective of the workshop was to review and update all 16 General Procedures and 15 Special Procedures and MS ISO 9001:2008 Quality Management System Quality Manual for the implementation of UMS full-time undergraduate programmes.

“This includes the coordination of Course Procedures for the implementation of undergraduate programmes for Labuan International Campus,” he said.

The workshop will see some changes on the General Procedures and Specific Procedures done including the exchange of 16 nominated names due to internal exchange of university officials.

The workshop concluded with a Technical Committee Meeting No. 1/2014 (12) and improving the documentation of the workshop for the teaching and learning quality guide for university’s undergraduates.

All participants unanimously agreed that the workshop should be held on a regular basis to ensure continuous improvement in the quality of the General Procedures and Special Procedures. *(FL)*
