THURSDAY, 21 AUGUST – The Bursar Department of Universiti Malaysia Sabah (UMS) has issued a statement stating that the printing and circulation of salary slip to all UMS staff shall be discontinued.

The move takes effect this month as a support to UMS Key Result Areas (UMS-KRA) on Service Delivery, Financial Sustainability and EcoCampus.

However, UMS staff can check their monthly salary slip through the Staff Financial Portal at UMS website quicker without having to wait for the hardcopy as circulated before.

The statement also added that staff who require salary slip statement for official purposes may contact the Employee Services Section of the department through extension numbers 1431/1334/1403.

As the practice before, the Department printed and distributed salary slips to all its employees monthly. - *ZMD (fl)*
