**THURSDAY, 12 FEBRUARY** – Science United is calling all Universiti Malaysia Sabah (UMS) staff to donate used clothing for their charity project in conjunction with *Maulidur Rasul*, UMS level.

According to a spokesman for the organisers when met by UMS media, clothing for donation must be clean and still usable as it will be donated to the needy at Kampung Mengkapon, Pitas.

Donation can be channeled to the General Office of the Faculty of Sciences and Natural Resources (FSSA) at the Science and Technology Complex or the Forestry Complex.

He added that donations can be sent to the office from now until 18 February 2015 between 8.00 am and 5.00 pm.

Science United is made up of the Institute for Tropical Biology and Conservation, Borneo Marine Research Institute, Biotechnology Research Institute and the Science and Technology Preparatory Centre UMS.
