FRIDAY, 15 AUGUST – Discussions on the completion of research papers with respect to the detection and control of Ganoderma was postponed to a date to be announced later.

The Notice of Suspension was issued by the Sustainable Palm Oil Research Unit (SPOR), Faculty of Science and Natural Resources (FSSA) in a statement today.

According to the statement, SPOR previously had set 19 August as the date of discussion, but for reasons which cannot be avoided it had to be postponed.
