MONDAY, 03 JUNE – The School of Education and Social Development (SPPS) organised a seminar on MS ISO Quality Management at the Postgraduate Studies Auditorium recently. The seminar which was organised through the Educational Management Programme Masters Students was headed by the Senior School Assistant and a representative from the District Education Office Kota Kinabalu besides students from the Education Management

Programme itself

The aim was to expose participants towards the characteristics of quality management. It was designed especially to cultivate quality management habit in participants and to give a positive outlook on quality management focussing on MS ISO which will be able to raise their knowledge on management.

The official opening and closing ceremony was done by the Dean of SPPS, Assoc. Prof. Dr. Ismail Ibrahim. In his speech, he hoped that these efforts will create awareness to participants on the importance of quality management based on the principles found in MS ISO.

The Director of SIRIM Sabah and the Federal Territory of Labuan, Tuan Haji Khairan Untoh was also invited as the speaker to this programme focussing on the Standard Quality (MS ISO), Standard Elements (MS ISO), Basic Principles (MS ISO) and the Implementation of ISO in schools. Also present was the Senior Lecturer and Advisor of the programme, Dr. Mohd. Khairuddin Abdullah and the Director of the Seminar, Madrashid Muhammad. – *FL*
