MONDAY, 03 FEBRUARY – More than 50 Universiti Malaysia Sabah (UMS) staff took part in a charitable activity conducted in conjunction with Maulidur Rasul, at Serigai Village, Putatan.

The programme organised by the Registrar Department of UMS was supported by the surrounding communities and UMNO Youth Division who jointly carried out the activity at the village's mosque.

UMS Registrar, Datuk Abdullah Hj. Mohd Said said the activity was part of the department's Corporate Social

Responsibility (CSR) besides being able to mingle with the local residents.

“This programme could instill good values in each of us besides strengthening relationship between employees and residents of the village,” he said when officiating the event. His speech was delivered by the Head of Human Resources, Luqman Ridha Anwar.

When the clean-up and repainting of mosque were done, the participants then congregated to perform the Zuhur prayers before listening to a Maulidul Rasul tazkirah which was presented by an invited speaker, Haji Lamsin Anggali.
