Transforming Ideas into Reality

**MONDAY, 27 APRIL** – The Faculty of Humanities, Arts and Heritage (FKSW) Universiti Malaysia Sabah (UMS) will organise a Workshop and Choir Concert UMS in Sabah on 29 and 30 April.

According to the Head of Music Programme, FKSU, Resot Igau, this is one of FKSU's programme organised annually to integrate UMS music students, choir coaches and music teachers from secondary schools, government sector and music associations in this state.

“The workshop will be conducted by music experts from Japan, Dr. Masashi Kishimoto and local musician, Mak Chie Hoe who will share new techniques to improve the quality of choir,” he said.

The two-day programme aimed to provide intensive and quality training to all choir coaches who can contribute to the development of the music and choir industry in Sabah.

Meanwhile, Programme Coordinator, Adson Matthew Mitty Gabu said the workshop was expected to produce young people who appreciate universal art and music.

The highlight of the programme will be held on 30 April with vocal concert performance from workshop participants and a special appearance by In Unity Chorale and The Saints groups.

The concert will commence at 8.00 pm at the Recital Hall UMS. – *ZMD (fl)*
