**FRIDAY, 17 APRIL** – The 3<sup>rd</sup> Business and Information Technology Festival, Universiti Malaysia Sabah (UMS) Labuan International Campus (KAL) will start tomorrow and ends on Sunday.

The programme coordinator, Joehan Joehari William said the 3<sup>rd</sup> Business and Information Technology Festival 2015 was the only programme under the Students Affairs Division (BHEP) UMSKAL related to the academic development of students outside of the lecture hall.

He said this will also encourage students to apply their learning outcome by participating in the programme.

He said it was in line with the vision and mission of Universiti Malaysia Sabah in producing first class human capital graduates.

“UMS Motto is intended to generate excellence in any activity and be the driving force and the main aim of UMS. This principle is in accordance with the programme’s rationale which is stated in the Business and Information Technology Festival paper work, which is to stimulate creative ideas in the minds of students,” he added.

Joehan who is also a lecturer of the Faculty of International Finance Labuan (FKAL) said the participants will take home cash prize of RM26,700.00 for those who participate in the Business Plan, Business and IT Quiz, Business Case Analysis and Local Entrepreneurs Exhibition.

The closing and prize-giving ceremony will be officiated by UMS Labuan Director, Associate Professor Dr. Murnizam Haji Halik this Sunday. – *SS (fl)*
