THURSDAY, 05 MARCH – Two Universiti Malaysia Sabah Kampus Antarabangsa Labuan (UMSKAL) senior lecturer conducted ‘Action Research Report Writing Workshop’ held at Labuan Matriculation College (KML), recently.

The two lecturers are Dr. Zamhar Iswandono Awang Ismail and Dr. Muzaffar Hamzah, both attached to Faculty of Computing and Informatics (FKI), UMSKAL.

Chong Pei Yee, the programme Director said that the workshop was conducted to establish research culture and strengthen research activities among lecturers on improving student academic in accordance with Malaysia Education Blueprint (2013-2025).

The workshop was divided into three slots: Slot 1 Problem Study and Abstract Writing, Slot 2 Objective and Research Method, and Slot 3 Qualitative Data Analysis.

Information gained from this workshop can be used as guidance for them to do their own active research in the future. Hence, achieving the goal of this programme.

A total of 52 of KML lecturers attended the one-day workshop held at KML Library.
