TUESDAY, 31 JULY 2018 - An Accounting Research Seminar was organised by Accounting Centre, Faculty of Business, Economics and Accountancy (FPEP), Universiti Malaysia Sabah (UMS) with the objective to provide an avenue for UMS academic staff in the accounting field to present output from completed and on-going research.

In addition, the seminar also involved presenters and participants from a few local institutions of higher learning including Universiti Malaysia Sarawak (UNIMAS),

University College Sabah Foundation (UCSF) and Inti College Sabah.

A total of 17 working papers presentation were made by academic staff from the FPEP UMS, Accounting Centre UMS, Faculty of Management and Entrepreneurship UCSF and Faculty of Economics and Business UNIMAS.

In addition to the paper presentations, seminar participants also took the opportunity to exchange ideas as well as to create network within the accounting research field.

A total of 35 participants including the postgraduate students from FPEP UMS participate the seminar.
