MONDAY, 5 JUNE – A social biogeography exhibition was recently held at the Social Science Foyer, Faculty of Humanities, Arts and Heritage (FKSW), Universiti Malaysia Sabah (UMS) organised by the Final Year students of 2016/2017 HA18 Geography Programme.

The theme of the exhibition was “Human and the Biosphere System”.

According to a statement issued, the objectives of the programme were to inform the masses on the importance of biosphere in relations to human, and to explain the social issues in the management of biosphere system.

The exhibition involved all 37 students under the Social Biogeography Course under the guidance of Dr. Jurry Foo Michael, a lecturer in the Geography programme, who was also the adviser.

The statement added that the event was also held as a platform to improve effective communication and knowledge-sharing skills by the students involved. - FL
