WEDNESDAY, 24 AUGUST –

The Merdeka Month celebration is felt by citizens from all walks of life in Malaysia.

Universiti Malaysia Sabah (UMS) itself responded by having a campaign to fly the 'Jalur Gemilang' and Sabah flag around the campus.

Media survey found that both flags have been installed in and around the campus since earlier this month.

These flags were also seen fixed on lamp posts around the main stretch of the university at Jalan Perdana Puncak Ilmu, Jalan Samudera and Jalan Canselor.

Free mini flags were given out by the Chancellery Department that saw staff displaying the flags on their vehicles to show their sign of patriotism for peace and prosperity of the country. – (f/)
