THURSDAY, 14 JULY - A total of 16 pre-school children of Sustainable Minds Centre (PML), Universiti Malaysia Sabah (UMS) participated in the Music and Movement Early Childhood Education Workshop, today.

Held at Dewan Resital, UMS, the workshop was conducted by a lecturer from the University of Hawaii, Professor Dr. Loong Chet Yeng.

UMS Media observed that the pre-school children enjoyed themselves and were cheerful while participating in the activities conducted, which started at 9.30 am.

They were taught a variety of songs and movements that were able to form positive habits in the personality of children.

The workshop was an initiative of the Borneo Heritage Research Unit (BOHRu), UMS in collaboration with the Music Programme of the Faculty of Humanities, Arts and Heritage, UMS and the Kota Kinabalu Music Society. – *SS (fl)*
