THURSDAY, 26 MAY – UMS Investment Holdings Sdn Bhd (UiNVEST) has signed a memorandum of agreement with Professional and Management College (KLIA College) at the Gallery, Chancellery Building, today.

This agreement would enhance cooperation between the two parties in the field of development capability and development ability to support the education sector more dynamically.

Speaking at the ceremony, Chairman of the Board of UiNVEST, Datuk Awang Buhtamam Awang Mahmud said, the memorandum of agreement acted as a platform to promote UMS Degree

programmes (by Coursework) in Kuala Lumpur and made KLIA College as UMS Centre for External Education (PLUMS).

“This would be the main focus of graduates as well as those with careers who want to pursue their studies to a higher level by offering a Master of Business Administration Programme (MBA) and Master of Human Capital Management (MHCM) in Kuala Lumpur.

“This agreement also outlines the responsibilities of both parties to ensure the programmes offered are in accordance with the education rules set by the university,” he explained.

With the signing of the memorandum of agreement, it would strengthen cooperation between the two sides and share their expertise through academic and research, as well as producing quality human capital resource to support sustainable development.

Also present was the Chairman of UMS Board of Directors, Tun Zaki Tun Azmi. – *(fl)*
