FRIDAY, 03 JANUARY 2014 – Universiti Malaysia Sabah (UMS) today launched its special edition stamps collection in conjunction with its 20th anniversary.

The replica of the special edition stamps were handed over to UMS Vice-Chancellor, Prof. Datuk Dr. Mohd. Harun Abdullah by the representative of Pos Malaysia Sabah Branch, Mudin Murah in a simple ceremony held at the Executive Board Meeting Room, UMS.

The launching of the stamps was part of a collaboration through the Blue Ocean Strategy Registrar Department, UMS with Pos Malaysia since 12 July 2013, where Post Malaysia offered the ‘Post On Wheel’ service every Friday within the campus for the convenience of UMS staff and students.

With the launch of the special edition stamps, all university correspondence would use the special edition stamps, and the community especially students and staff can purchase the stamps thus promoting income generation for the university. - *MA (FL)*
