KOTA KINABALU: UMS Link, a wholly-owned subsidiary of Universiti Malaysia Sabah (UMS), is offering a Master in Communication programme by coursework to meet the need of students in Malaysia, Brunei and Indonesia.

UMS Link Holdings (Education and Training Sector) manager Rizal Malik yesterday said the masters programme and other existing courses offered by the university would be carried out through UMS Link learning centres in Kuala Lumpur, Johor Bahru and Kuching.

He said the same programme would also be implemented in Brunei and East Kalimantan, Indonesia.

“We always strive to expand our offer for the degree programme in order to increase our revenue of which 60 per cent of the corporate proceeds will go to the university (UMS) coffers,” said Rizal at the presentation of five computers to the UMS’ School of Social Sciences for practical learning requirement of the students.

The computer sets were received by the dean, associate professor Haji Inon Shaharuddin Abdul Rahman.

Also present were UMS Link senior manager (Corporate Services, Legal and Governance,) Yusak Yumboris, head of masters programme, Dr Haryati Abdul Karim and Professor Datuk Dr Hamdan Adnan.
