TUESDAY, 28 APRIL – Universiti Malaysia Sabah (UMS) will be organising the 12th Fundamental Entrepreneurship Acculturation Expo (APK) starting 5 to 8 May 2015.

According to the Group Managing Director of APK, Ta Honn Yu, the expo themed ‘Inspiration. Idea. Innovation’ was intended to encourage people especially students to create new and creative ideas

from their surroundings that would bring innovation to everyday life.

“This course is able to deliver a wide range of entrepreneurship ideas to students because entrepreneurial activity contributes towards the economy and can develop a competitive community,” he explained.

The Faculty of Psychology and Education (FPP) UMS expo organised by the students saw a total of 128 booths participating in this four-day programme, held at UMS Library parking square starting from 8.00 am to 9.00 pm.

Among the booths at the expo are food, drinks, games and health screenings besides stalls selling products inspired and innovated by UMS students, which is expected to be the main focus of the APK Expo.

The public, especially UMS students and surrounding community in Kota Kinabalu are invited to the expo, thus encouraging students in their entrepreneurial ventures. - *(fl)*
