TUESDAY, 23 JULY – In their efforts to promote new books published by Universiti Malaysia Sabah (UMS), the Publication Unit of this EcoCampus University held an exhibition and book sale in stages. Tomorrow the unit will be holding one at the Teachers Training Institute (IPG) Tawau Campus until Friday before making a stop at the Open University Malaysia (OUM) at the same place the next day.

According to the Publication Officer of this unit, Anicius Justin Adeh, the exhibition is open from 8.30 am to 3.30 pm to the public especially teachers.

Besides the book promotion pertaining to education he said the exhibition also aims to publicise all researches done by UMS researchers thus strengthening the university as a publisher of academic books. He said when asked by our corporate reporter in Kota Kinabalu.

“We will continue this exhibition to IPG Keningau from 29 – 31 July 2013. We have held the same exhibition at IPG Tuaran. We hope the public would make full use of this opportunity,” he added. - *FL*
