TUESDAY, 23 SEPTEMBER – A talk jointly organised by the EcoCampus Management Centre and Faculty of Sustainable Agriculture (FPL) Universiti Malaysia Sabah (UMS) was jointly organised at UMS Sandakan branch Campus recently.

With the theme Waste and Landscape Management, the talk which was attended by more than 120 participants from among lecturers, staff including Third and Forth Year students was officiated by its Dean, Prof. Dr. Wan Mohamad Wan Othman.

In his speech, he touched on the potential of UMS Sandakan campus in exploiting renewable energy such as solar energy.

Hence, he said FPL was ready to cooperate and be involved with activities based on sustainability organised by EcoCampus Management Centre.

The knowledge-sharing programme was presented by Dr. Nobuyuki Tsuji, a well-known researcher in the field of Sustainable Science and Waste Management from Fukuoka, Japan; as well as FPL, Shahida Mohd Sharif – *MA (fl)*
