**WEDNESDAY, 30 APRIL** – Undergrads under the Faculty of Business Economics and Accounting programme, Universiti Malaysia Sabah (UMS) will be organising a community programme at Kampung Sinua Sook, Keningau starting tomorrow.

Speaking in a statement, lecturer and Programme Coordinator, Juliana Anak Langgat said; the location of community service was at the Sekolah Kebangsaan (SK) Sinua and Sekolah Menengah Kebangsaan (SMK) Tulid

Keningau.

“It, among others create opportunities for all undergrads to experience real life living in rural areas as well as train them to apply knowledge and to foster effective communication techniques to the community,” she said in the statement.

Obviously, the programme will be filled with motivational talks for Year Six students who will be sitting for the Ujian Penilaian Sekolah Rendah (UPSR) or Primary School Assessment Test this year.

“In addition, all undergrads will clean and decorate SK Sinua classrooms and library. I believe these activities will inspire the rural students to raise their own education standard,” she added.

Meanwhile, the ‘Yahai Obimpoduli’ Programme statement also said that a Sijil Pelajaran Malaysia (SPM) or Malaysian Education Certificate motivational session at SMK Tulid would be organised focussing on upper secondary school students to shape their direction after finishing formal schooling.

Thus, the three-day programme welcomed sincere donations in the form of stationery, books and teaching aids that are appropriate with the syllabus of the primary and secondary schools.

All contributions can be directed to the Publicity Committee, Mohammad Radfizul Radzali at 013-8916343. – ZMD (f)
