

PMR Seminar On Aug 5, 6

KOTA KINABALU: Students sitting for the Lower Secondary Assessment (PMR) examination this year are invited to attend the PMR Seminar 2006 from Aug 5 to 6 at Universiti Malaysia Sabah (UMS), near here.

The programme that will focus on answering strategies is being organised by Berita Harian in collaboration with the UMS Management and Professional Officers Association.

Organising chairman, Amirullah Andi Nur said it was the first seminar of its kind held in the State in more than 10 years although it has been an annual affair in the peninsula.

"We decided to bring the programme to Sabah following so many requests from the parents and students in the State as the seminar had been proven to be effective in Peninsular Malaysia," he said.

In this respect, he said PMR candidates in Sabah are welcome to register for the seminar where they can get pointers on Bahasa Melayu, English, Science, Mathematics, Living Skills, History and Geography.

Interested parents and students can contact the organising committee at 088-217745, 268551 or 016-8328823.

Meanwhile, he said they would also be holding similar seminars for SPM students on Sept 23 and 24 also in UMS.
